Re: Campaign Finance Disclosure Report

To Whom (My letter of September 11 has no name on it):

I received a certified letter from the Ethics Board Friday, September 13, 2002 informing me of my delinquency. I called and left my name several times on Monday but no one returned my calls.

I was not aware that I was required to file a report.

I qualified for a judgeship on Friday, August 23, 2002 and withdrew from the race the following Monday, August 26, 2002. I did not collect, raise or spend any money inasmuch as this was a non-campaign. The only expenditure or money transaction was my qualifying fee which I look forward being returned to me in the near future.

I do not have any report forms. If you desire me to put the above information in a report form I would appreciate your mailing or faxing me same.

Thank you for your understanding and patience in this matter.

Sincerely,

JOSEPH MEYER, JR.
